**Gwen Tracy** for the last two decades Gwen has been known as a vocal powerhouse, guitarist, and songwriter. Her special musical cocktail calls for two parts blues, one part rock and roll, and a splash of folksy tradition. Her unforgettable performances will get you out of your seat and dancing. Gwen feels that her mission as a musical performer is to forge a connection with the audience, and to inspire them to pursue their dreams. Born into a musical family, Gwen has performed on stage with some of the best musicians in the area, but still derives the most enjoyment from performing with her long time musical partner: her father, Jim Tracy. She cites Etta James, Susan Tedeschi, and Imelda May as her inspirations. Come on out and enjoy some great music!

**Keith Gorgas** is originally from Perth Amboy, New Jersey but has spent the better part of the last twenty years in the Saranac Lake area of the Adirondacks. He is a custom builder, a tour bus driver and a fisherman, but his true love is and always will be his music. He says his songs are a little bit Dylan, some Kristofferson, a little Townes Van Zant but always personal experience. His songs are the journal of his life.

**Ray Agnew** is originally from the upstate area, was educated at Crane School of Music in Potsdam. He will be performing songs from this latest CD, *"Faith, Love, Kids and Other Mysteries."*

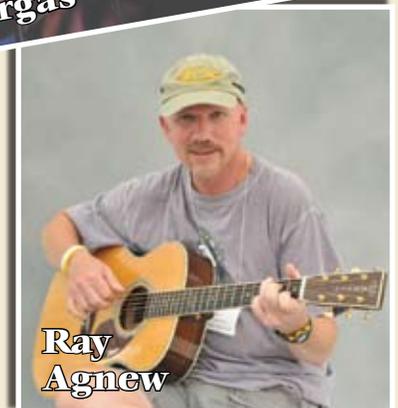

**Doug Irving** is currently finishing up his twelfth studio album titled *"The Living Soil"*. It will follow recent releases *"Eclecticity"*, *"Fire Towers and Shanties"* and *"An Adirondack Suite"*. He resides in Queensbury.
